## Interim Management

### **Immediate impact and sustainable high-quality input**

Any organisation's success stems from the quality of its people. 3SIXTY Global is no exception. The extensive experience our people have covering all travel disciplines set us apart from the competition. An interim travel management posting from 3SIXTY gives you instant access to experienced, knowledgeable talent with a proven track record who can hit the ground running.

Our people have successfully held roles in global travel management and procurement (travel and other categories), as well as account, branch and operations management for travel suppliers. With such breadth of experience, this means that you benefit from our unique understanding and perspective of what is important and sustainable from both sides – buyer and supplier.

### **Breaking it down**

For each assignment we take time to develop a detailed specification of your requirements and importantly, find out about your culture. It is our personal approach that further sets us apart. It is why our clients view us as long-term partners.

Here is a sampling of the comments about our people and our experience from some of the industry's top buyers and suppliers:

- "You are sure to get 110% of hard work, straight-talking intelligence and the utmost integrity"
- "Highly motivated, enthusiastic and diligent"
- "Respected within the travel industry with extensive knowledge"
- "Their organised and competent approach to travel management became our example and standard of excellence for how a category should be managed"
- "Attention to detail and precision"
- "Totally focused on achieving the best possible value"

Most organisations nowadays need to access flexible resources. With change comes new challenges, demands and opportunities. Often additional resource will be required, whether to handle change management, spearhead a specialist project or simply to cover recruitment gaps, we can provide you with the skills and experience to meet your needs. We offer fixed contracts, day rates and flexible support packages to ensure you get the service and help you need when you need it.

## Benefits for your organisation

- **Immediate start** – we can usually start in a matter of days, with minimal recruitment and termination formalities
- **Experience** – across multiple functions and categories; we can ‘hit the ground running’
- **Results** – track record and performance really count; we are used to being judged by results so we know how to deliver
- **Knowledge transfer** – transfer a huge amount of skill, contacts and experience to your team which will remain long after we have left
- **Flexibility** – we only work the days you need, therefore minimising your costs
- **Location** – we will travel; we are extremely flexible on location and prepared to work away from home
